CCO 314, SAMPLING AND TESTING A354 GRADE BD MATERIAL:

There is no work in the field on this operation today by ABF. The Townsend Test (Test IV) for TR's 18 & 19 is complete and cleanup is in progress. ABF is working in the field today (but not at the Pier 7 warehouse area) on other operations this Saturday – at Tower. The other operations are not covered by this diary.

INSPECTOR OT REMARK:

Office 4 hours: I am at work between 1200 and 1600. ABF is not working in the field on CCO 314. I am in the office for various work related to A354 Grade BD bolts and rods, including assisting the DJV with an A354 Grade BD report.
